SCHOOL DAYS!

DES

Hi, Guys. your friend Doreen G.

FOREWORD

The Pleiades is here again! So that it may lift the curtain of forgetfulness that falls with the years, we offer a few glimpses of our hours in school and bring remembrances of warm friendships and happy days.

Mere words cannot express the hour's thrill in a football triumph, the eternal minutes unprepared in the classroom as we awaited the bell's release, the moment's elation at work well done. But these words and pictures to follow will bring the memories rushing back. Wait and see!

TO THE STUDENT BODY OF FULLERTON, WE DEDICATE THIS ISSUE OF THE ANNUAL PLEIADES.

MAY THE PAGES IN THIS BOOK TAKE YOU BEHIND THE SCENES AND HELP TO CREATE FOR YOU AGAIN THE INCIDENTS WHICH WERE THE ESSENCE OF YOUR HIGH SCHOOL LIFE: THE WHIMSICAL AND RATHER IRRELEVANT CONVERSATIONS YOU HAD WITH YOUR FRIENDS IN THE "GUTTER" AND "BULL RING"; THE HALL YOU WERE RUNNING IN WHEN THE TARDY BELL RANG; THE INDIANS PUSHING ACROSS THE LINE FOR A TOUCHDOWN AND YOUR CHEERING YOURSELVES HOARSE; THE TIME YOU STAYED UP UNTIL 2 A.M. STUDYING FOR AN ENGLISH EXAM; THOSE SWELL DANCES; WELL, EVERYTHING THAT WENT INTO MAKING A WONDERFUL YEAR.

THIS, OUR FIRST YEAR OF PEACE IN A LONG WHILE HAS BEEN SOMETHING SPECIAL TO ALL OF US. IT HAS NOT ONLY BROUGHT US BACK TO THOSE DAYS BEFORE THE WAR WHEN GAS WAS PLENTIFUL AND TRIPS TO "BAL" MORE FREQUENT, BUT IT HAS ALSO BROUGHT US INTO AN ENTIRELY NEW ERA, AN "ATOMIC AGE" THEY SAY. THIS RECORD OF TODAY IS A CHALLENGE FOR TOMORROW.

SAVE AND TREASURE THESE PAGES, FOR THEY ARE SACRED TO ALL OF US.

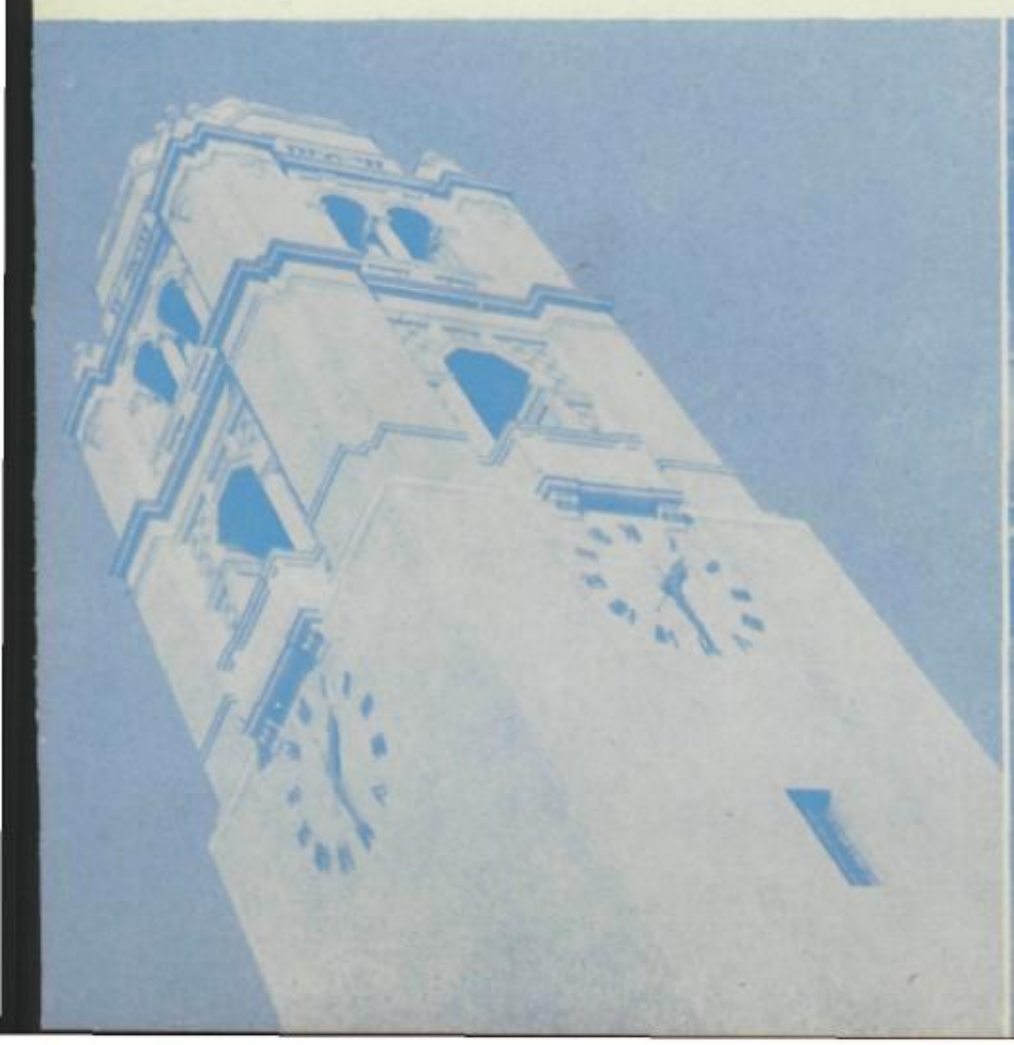
ABOUT FULLERTON HIGH

FULLERTON UNION HIGH SCHOOL HAS BECOME ONE OF THE LEADING HIGH SCHOOLS IN CALIFORNIA. BECAUSE WE ARE PROUD OF OUR SCHOOL, WE FEEL THAT SOME OF THE HISTORY SHOULD BE RECORDED IN THIS ANNUAL.

WE HAVE PROGRESSED FROM THE SECOND FLOOR OF THE OLD BRICK GRAMMAR SCHOOL BUILDING TO OUR NOW MODERN AND PICTURESQUE CAMPUS. HOWEVER, THE SCHOOL ISN'T JUST AN EXHIBITION OF BEAUTIFUL BUILDINGS, FLOWERS AND SHRUBS. WITHIN THE SCHOOL THERE IS A DETERMINED EFFORT ON THE PART OF EVERYONE TO RAISE THE SPIRIT AND CHARACTER OF OUR SCHOOL TO THE HIGHEST DEGREE POSSIBLE. IN ATTEMPTING TO REACH THIS GOAL MANY ORGANIZATIONS HAVE BEEN FORMED. OUR STUDENT GOVERNMENT IS EFFICIENT. WE WERE THE SECOND SCHOOL IN ALL OF CALIFORNIA TO HAVE LEGALLY ESTABLISHED A BANK. OUR HIGH SCHOOL HAS BEEN GIVEN RANK "A" BY THE UNIVERSITY OF CALIFORNIA. THIS HAS BEEN ACCOMPLISHED BY FACULTY, ADMINISTRATION 'AND BOARD OF TRUSTEES.



Dear Mary Anne,
It's been swell knowing
you and all your pranks.
Best of luck

POLICY IS STRESSED

Have you ever wondered what kind of person those who administer your school hope you will become? The opportunities offered you are all carefully planned to help you become a well-balanced citizen of your community.

Seven cardinal principles are always before the men and women who govern the little world of Fullerton Union High School. They are the broad areas in which the work is arranged and carried out.

The first principle is to give students a knowledge of fundamentals—reading, writing and arithmetic.

The second is to provide the students with a sense of responsibility in working in vocational, or college preparatory courses.

Citizenship is attained through your student government where you practice democratic living, and in your civics and history classes where you attain a knowledge of government.

Another area is homemaking for both boys and girls, which includes home management and human relations.

A lot of thought is given to helping you make use of leisure time with club activities, physical education programs and dramatics. Activities stressed are those which will stay with you all through life, besides training you to get along in the social world.

Health is taught in the science and hygiene classes, and a clean healthful campus is an example to everyone.

Finally a major area is in building moral character where honesty, upstanding conduct, unselfishness, and restraint are taught.

GREETINGS!

To the members of the class of 1946 and their flourishing successors, I count it a privilege to express the hope that school days have been and will continue to be happy days. You showed real enthusiasm for living the life of the "girl in calico" or the "bashful barefoot beau". We of the staff have endeavored to see that "reading and 'riting and 'rithmetic" received adequate attention.

This first post-war year has been a happy one for all of us. The splendid way in which you have cooperated with the staff in both class and extra-curricular activities is a source of pride to us as to your parents.

May you seniors revisit our campus often. Find your numerals on the arcade. Share your new experiences with your old friends on the faculty. Bear yourselves always in keeping with the finest spirit of Fullerton Union High School. Success to you!

Sincerely,

T. Stanley Warburton

Constance Blose, Rachel Wolfe

THE FRONT OFFICE

LEWIS

Students find understanding council, and leadership from Mr. Lewis. He seems never too busy to give courteous aid in the solution of our problems.

To the boys he is a special help. It has been through his particular efforts that Boys' League was again resumed. He also instituted special homecoming day and program for Fullerton's alumni.

His duties are many. He keeps in touch with other schools and notes their progress and improvements.

TURNER

Our new Dean of Girls is not new on the campus. Her smile is well known to students of Spanish, and her Girl Reserve work deserves highest praise. In her capacity as adviser, confidant, and friend, all the girls at Fullerton feel that she is "tops". Whatever their problem is — grade troubles, club difficulties, future plans, or a personal dilemma—they will find her door open and sound advice within.

We, the students of Fullerton Union High School, wish her loads of success in her new work and thank her for her friendship this year.

BRUNSKILL

Also new in his position, he has shown his merit as vice-principal and Dean of Boys in many ways. His friendly manner and cheery twinkle have endeared him to all of us who know him. He is an active adviser for Boys' League and in club financial affairs. Still, he finds time to teach a business mathematics class. Boys and girls have beaten a path to his door and received solicitous attention to their difficulties. Fullerton Indians are fortunate to have such an excellent "Big Chief" as he. We appreciate his efforts and salute his future.

WHO ALS

I would like to express my thanks to the faculty, and to all the students of Fullerton Union High School for their fine cooperation and spirit this past year. Through observation of many other schools, I feel that ours is one of the best in Southern California in student government, school spirit, club activities, clean campus, and high scholastic record. Our dances are much better, with the Pow Wow being one of the biggest social events put on by any school. To those students who are not seniors, who I know will strive to improve our school, and to every member of our school, my best wishes for success.

Robert Newell

Student Body President

LEAD . . .

All students enrolled in our school are members of the Fullerton Union High School Student Body and are privileged to participate in our active student government. All must abide by the laws of the student affairs. The duty of the executive board is to promote student body activities. Look around and you will see your student body in action—games, dances, this annual, and the renowned pow wow. Executive board: R. Newell, H. Clark, R. Counts, J. Collins, J. Weide, O. Murray, D. Davis, D. Anglin, J. Lamhofer, R. Kraemer, D. Dohrmann.

WE MADE IT . . .

In the fall of 1942 we entered F.U.H.S. as "scrubs". Our goal as freshmen was to clutch that diploma of graduation in our hands in four years. That year of getting acquainted was ideal under the direction of Don Davis, president of our class. Our presentation of "Youth and Uncle Sam", a one act play to the general assembly was one of our better activities as freshmen. As sophomores we excelled in scholarship and athletics. Our dinner party that year was one of the successful events of the year. That year Herb Clark was our prexy. The idea of being upper classmen, our sweaters, and the giving of the prom to the seniors, helped make our junior year outstanding. Elected to presidency that year was Dan Kraemer. Our class rings, the prom, class day exercises, and numerous other things made our last year here the most perfect. John Morris presided over the class of "46".

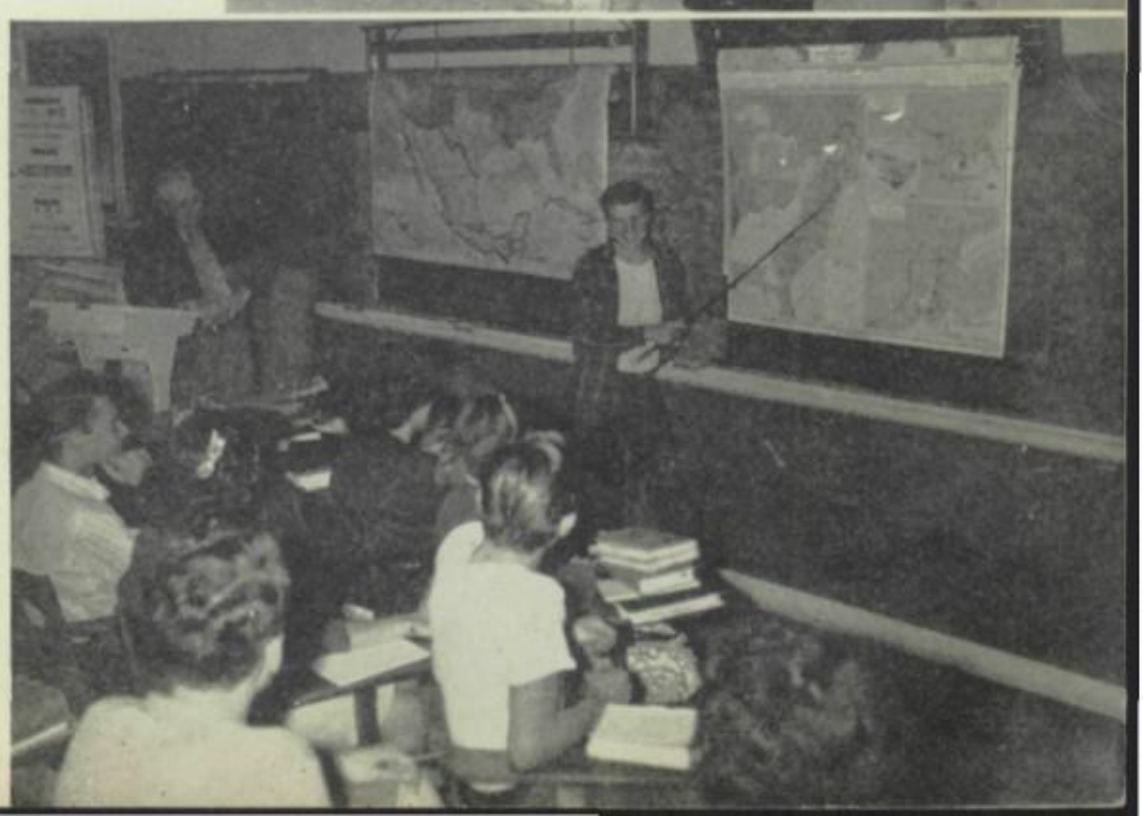
ENGLISH

Among the many fine courses offered here at Fullerton are those of the departments of English, foreign language, arts and crafts, and social sciences. These are just a few of the numerous classes that may be joined by students who are seeking varied fields for their work in the future.

Arnold, Sheller



SOCIAL SCIENCE

Vocational training plays a major part in F.U.H.S.' curriculum. Success at home or in business is the goal of the home economics and commerce departments. The instructors are hard-working and the equipment is well-cared for. Girls in aprons or at the sewing machines, typists, bookkeepers—all at Fullerton are earnestly training for a useful life.

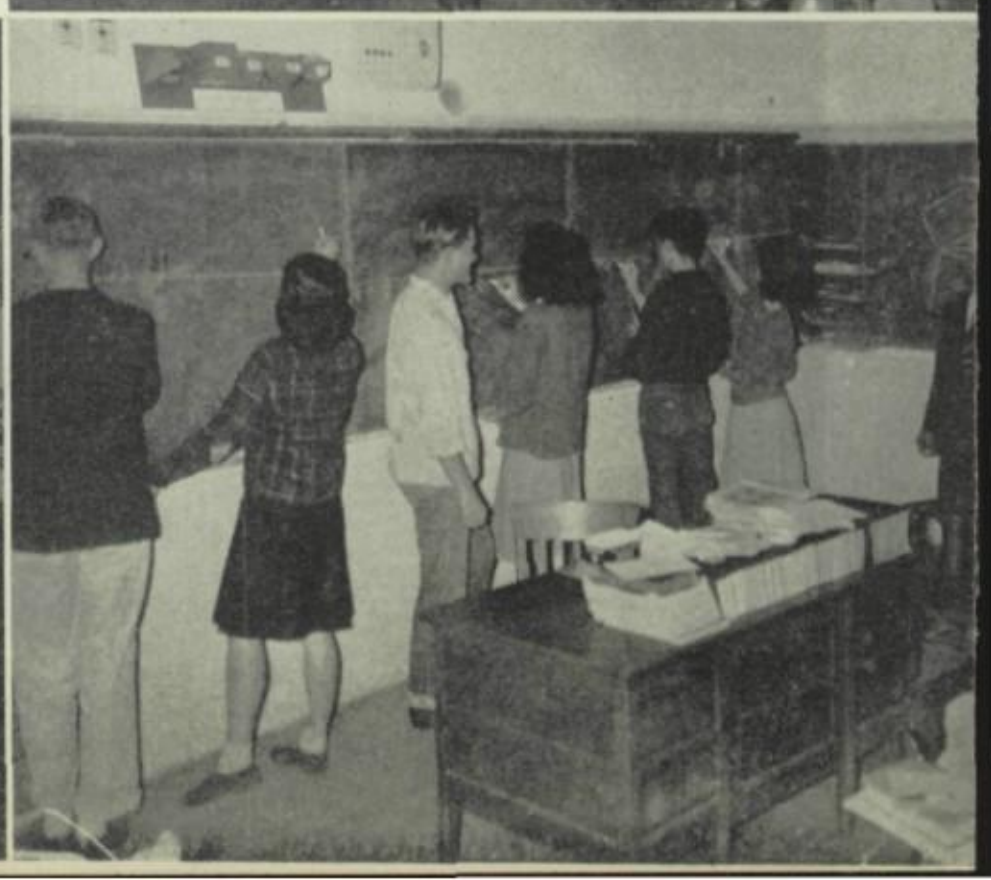
LIBRARY

Fullerton takes pride in its efficient mathematics department. Every opportunity, from general math to the mysteries of solid geometry is offered to students who will apply themselves. Our well-disciplined study hall and our beautiful library afford quiet places of study for those who need them. Our library has a high average of books per student, on a wide variety of subjects.

MATHEMATICS

Brunskill, Hansen, Miano, Ernsberger, Carter



Physical Education is required of every student. Good sportsmanship, fair play, and teamwork are developed by the varied sports participated in. Among these are tennis, swimming, basketball, volleyball, calisthenics, archery, and numerous others.

Dear Mary Ann,

It sure has been fun knowing you this year. (Setting in Library). I hope I see you next year. Here's to a swell girl - Good-luck and best Wishes.

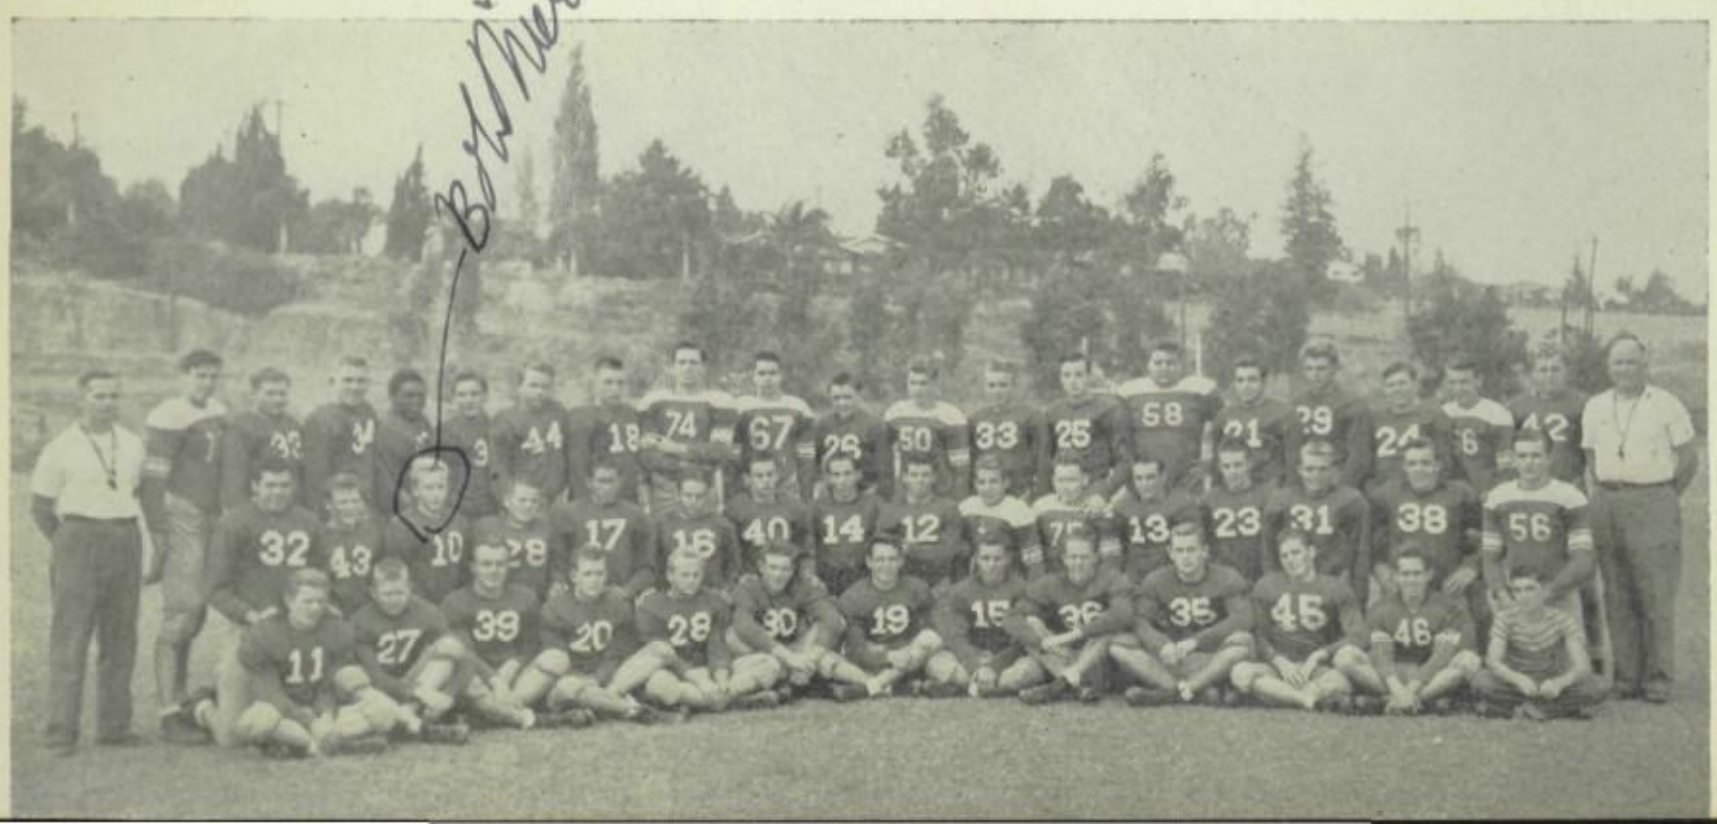
"It might have been" was the theme song of Fullerton High's "A" football crew last fall. After a dismal start in practice clashes the Redskins suddenly hit their stride to win three out of five league contests and barely lose the other two, to Anaheim, 8-6, and to Santa Ana (The C.I.F. champions in addition to league kings), 7-0. The Tribe finished third but came within six yards of tying the C.I.F. champs while competing in probably the toughest circuit in Southern California.



FULLERTON 12

HUNTINGTON BEACH 6

Four factors—Tommy Thompson's passing (for both scores), Ray Roberts' pass-snagging (also for both scores), the running of Thompson and Johnny Kimberlin, and a smooth Indian functioning to wreck the Oiler's "T", served to more than counterbalance a bad break of a loose ball grabbed in the air for a touchdown as the Tribe came from behind to win its first league start impressively.

ON THE GRIDIRON

FULLERTON 6

ANAHEIM 8

Heartbreaker — near capacity crowd braved bitter weather—All Anaheim in first half (8-0 at half)—Indians begin playing ball in second half, but too late—Johnny Kimberlin and George Tanner outstanding—Tommy Thompson-Ray Roberts aerial produces tally—Redskins roar to Colonist 14 in closing minutes of fray, but too late—first league loss, last home game of year.

FULLERTON 7

NEWPORT HARBOR 0

Warriors come close to bei bowled over by last-place team- Gene Shaffer recovers fumble on o two after Freitag of Harbor plung to one-foot line in first quarter- Fullerton takes ball and starts dri of own—In second quarter Lee Ba ton takes end-around 32 yards to p dirt for lone score of afternoon- Jim Fisher boots extra point—Ki berlin again outstanding along wi Shaffer and Bob Newell.

FULLERTON 24

ORANGE 0

The Injuns really on the warpa — Bob Newell, scorer of all fo touchdowns — Bob Nielsen, who s most of them up with fine runni and blocking, and Lee Barton w wouldn't let the Orange backs ev get started, chief culprits of the d — Jim Fisher kicked two extra poi but both called back on penalties Three regulars, Don Davis, John Morris, and Ray Roberts, out of tion but you'd never know it!

PLAYING HIGH

Although they did not possess quite as good a record as other Tribal varsity hoopster aggregations of recent years, the '46 cagers played consistent ball, beating both Santa Ana and Orange twice and losing to Anaheim, Huntington Beach, and Newport Harbor each twice. Lettermen were Bob Goodwin, Dan Kraemer, Dick Blair, Ray Roberts, Don Davis, Harold Hacker, Frank Zuniga, Lemuel Dominguez, Chuck Holmsen, and Harold Weaver. Coach Walt Cook did a fine job with the boys.

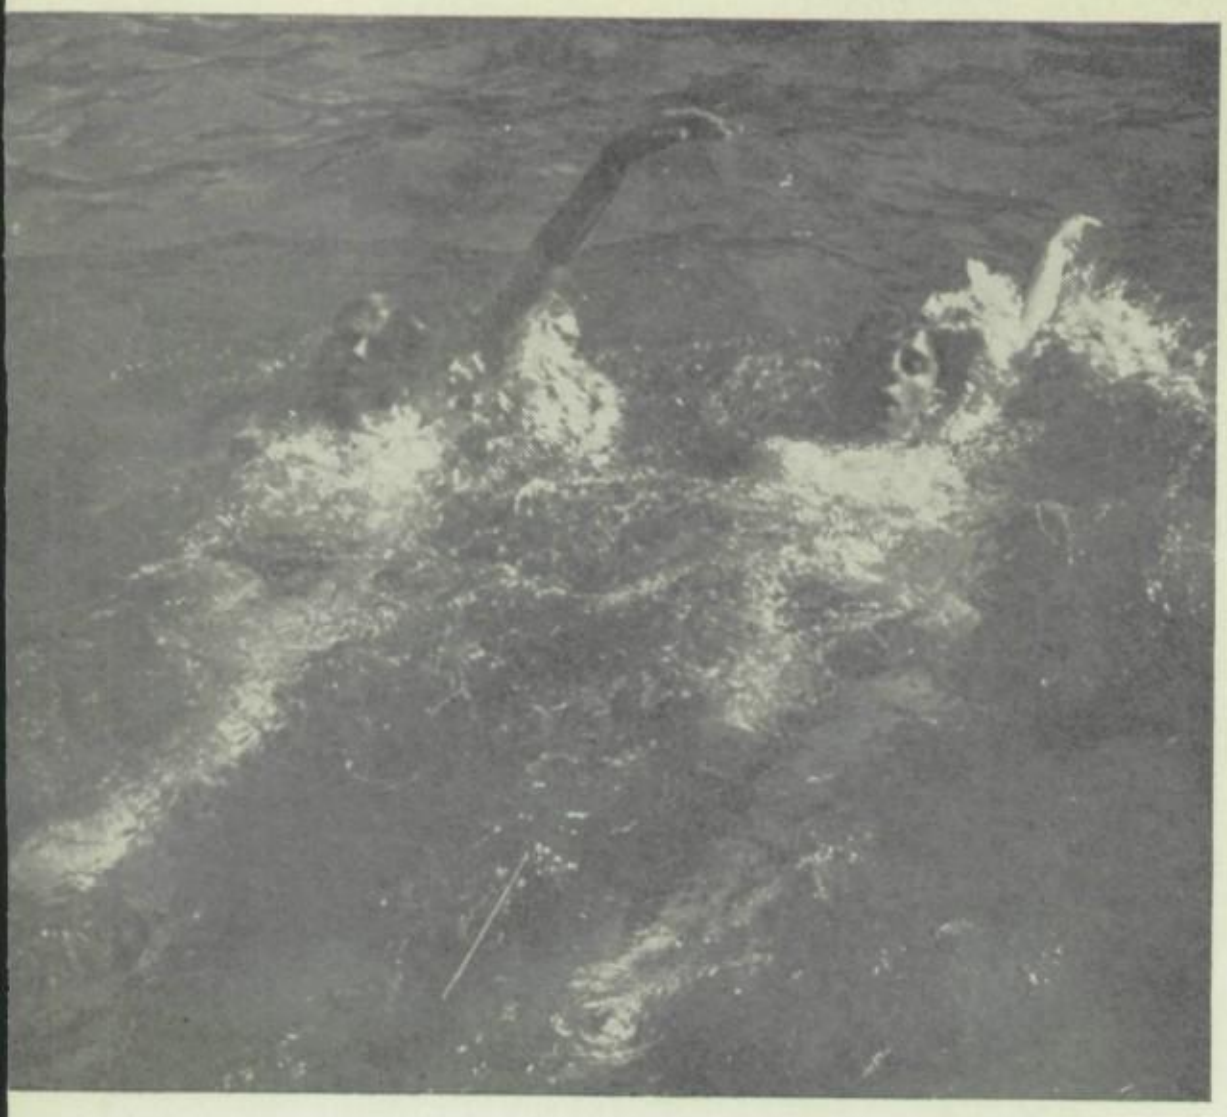
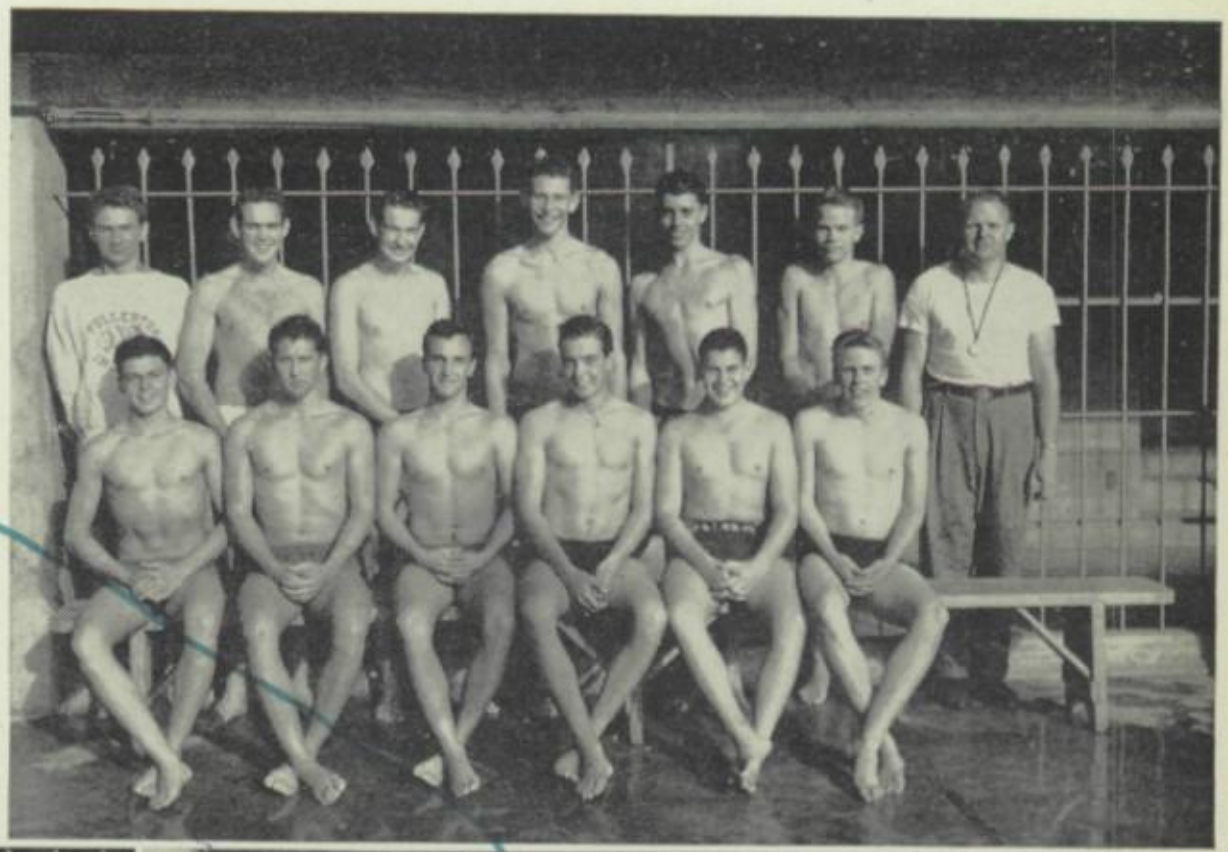
nual presstime, won two out of o dual meets. In the limelight re Bob Newell, two-year league e winner in both hurdles, Lee rton, Bob Boaz, Johnny Kimber- Ray Roberts, Bob Goodwin, n Kraemer, Leonard Troeller, hnny Morris, Chuck Easley, Bob elsen, Dick Blair, Gene Shaffer, n Barnes, and Bob Osborne.

Almost the same boys as those that gave the Red and White power in swimming this year made up Fullerton High's first Water Polo combine in several years. The varsity really ended its season in a blaze of glory by upsetting Whittier High in the Brave pond, 8-5. Previously the Redskins had lost twice to U.C.L.A. and once to Whittier (who was king of Southern California high school and college water polo until it locked horns with Fullerton in familiar waters to the Injuns). The locals were forced, because of manpower shortage, to start their season after football was over, while other schools, such as Whittier, played all through the fall with some of them (such as Caltech, Compton and Inglewood) disbanding, before Fullerton could get started. Stars offensively were Neal Weaver, Ed Illsley, Ace Burns and Bob Hamilton and defensively Doug Bergen and Don Thamer. Also playing were Dick Julian, Jeff Millet, and Fred Lae. The Bees did not do as well, but always put up a good fight.

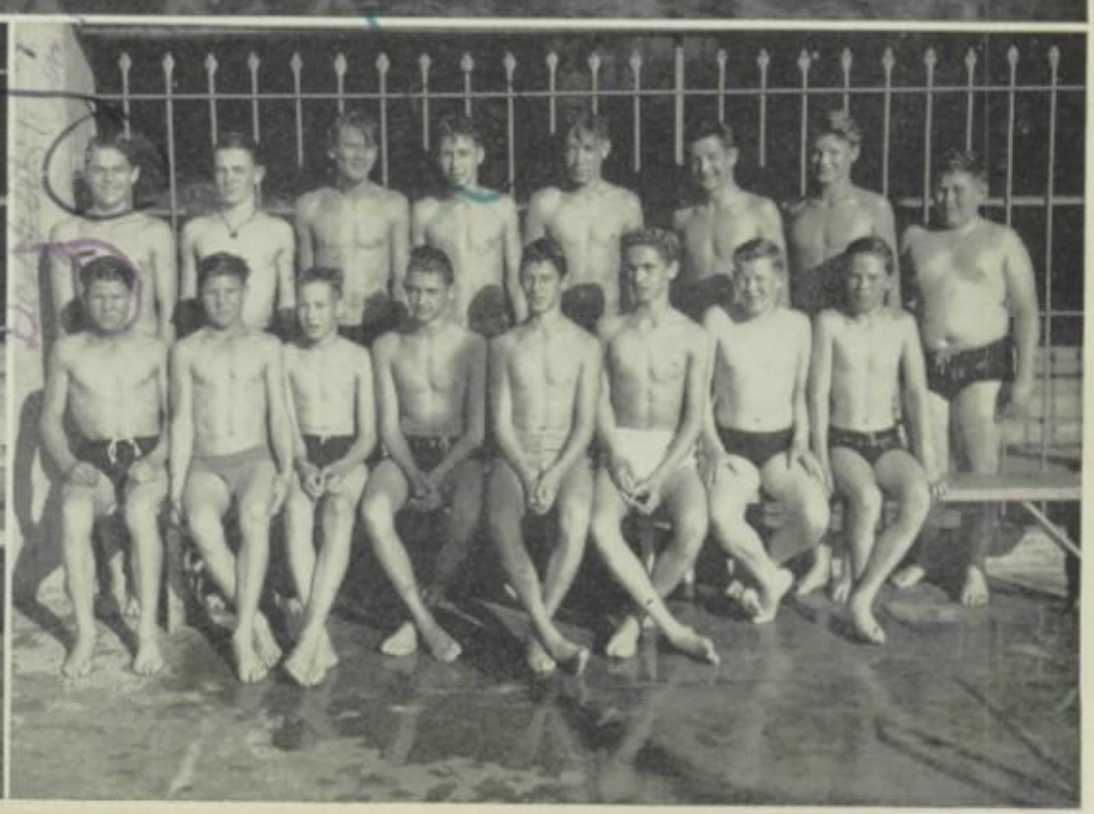
THE OL' SWIMMIN'



Swimming, always the sport to bring the most awards home to the reservation, had already, at annual presstime, brought home the C.I.F. Midwinter Swimming Championship to the Warrior varsity paddlers. Mighty Beverly Hills, favored to win easily, was way behind with 33½ for second to Fullerton's 40½. Star of the club is Ed Illsley, followed by Ace Burns, Bob Hamilton, Fred Lae, and Gene Schiller. The Bee and Cee clubs are not so potent, although the Cees did snatch fifth at the Compton C.I.F. Midwinter. Illsley, Burns, and Schiller all had firsts at the Midwinter and were favored to show the way to Indian triumphs at league finals and C.I.F. finals.

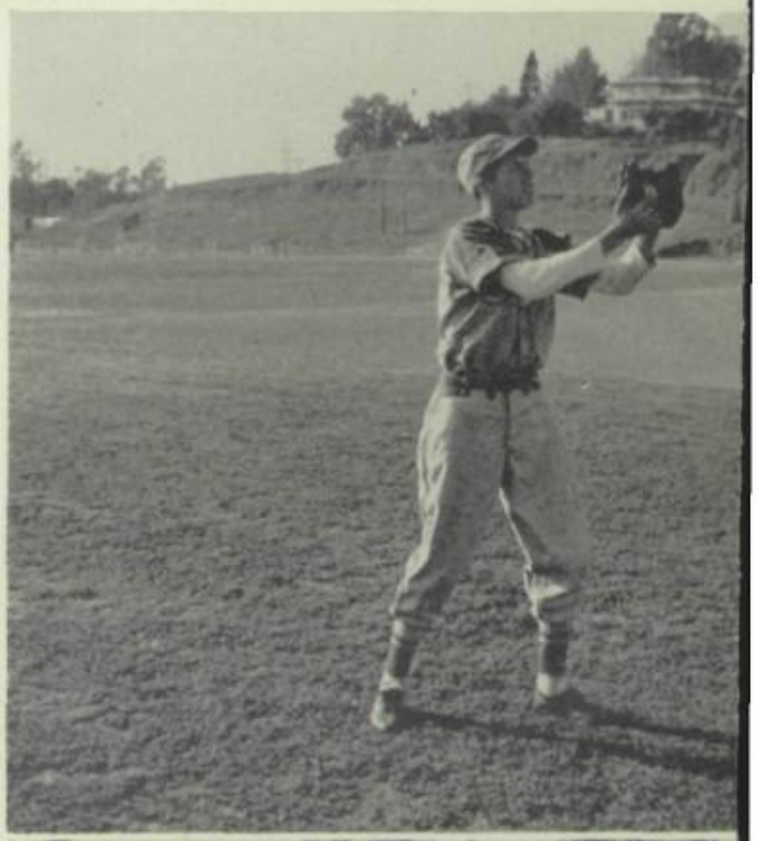


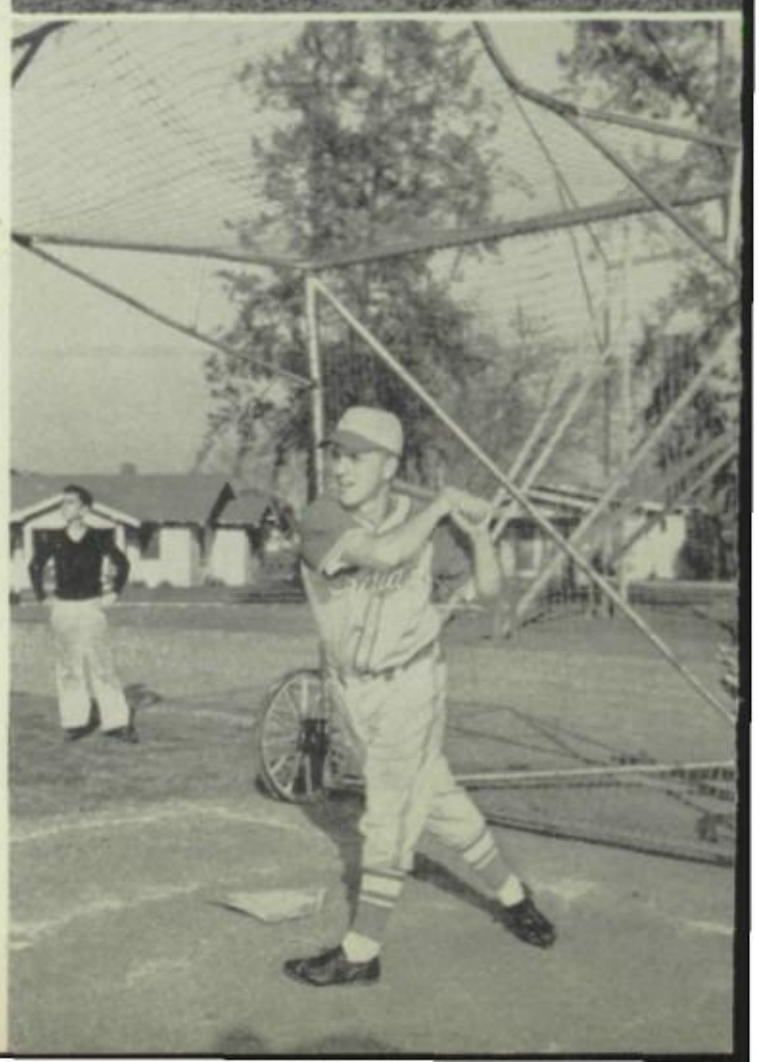
HOLE

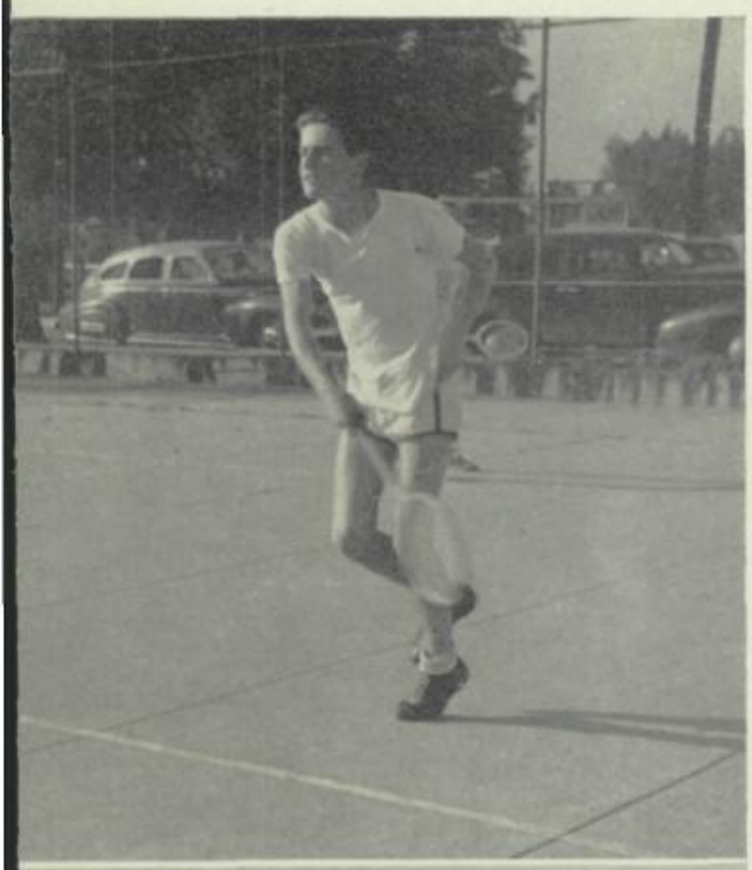


CASEY AT THE BAT

The horsehiders' first game had yet to be played as the annual went to press, but prospects were exceedingly bright, with nine returning lettermen from the 1945 nine that drove to a tie for the league championship. They are Gene Carter, Rex Bohannon, Bob Barron, Bob Chapman, Jim Fisher, Bill Ross, Dick Lane, Dan Kraemer, and Del Crandall. Crandall is a returning all-leaguer behind the bat, Carter hit .300 last year, and Kraemer was the best fielding first-sacker in the league last year.







IT'S A RACKET

Paced by several returning lettermen such as Bob Langford, Bob Hammond, Bill Straw, Jim Council, Jerry Weide, Neal Gobar, Eugene Nelson, Dieter Schugt, Stan Kohlenberger and Ronald Kovar, and likely-looking newcomers such as Owen Richilieu and Don Davis, the "racketeers" had yet to engage in their first interscholastic match as the annual went to press.

MEAN RACQUET

Though there was only one season of tennis this year, the competition was stiff and the players were skillful. It was managed by Marian Lindauer.
